4) How would you comment on our overall Service to you?

I found the service very easy and swift, there was no hassle for me at the airport when I went to pick up the Kajoor. I was in and out of the airport in 15minutes, the service uncle Muhammed provided me was very friendly, honest and hassle free. I was very pleased with the service as everything was clearly explained as I am new to importing .Uncle Muhammed dealt with everything and within a couple of hours I was able to collect the Kajoor from the airport. I look forward to dealing with uncle Muhammed in the future. Thank you for all your help and support.
